

Vosne-Romanée Premier Cru "Les Suchots"

Appellation d'Origine Contrôlée

Character of the wine

Vosne Romanée *premier cru* Les Suchots wines are remarkable, and despite the presence of a thalberg, or valley bottom, in the vineyard, fairly homogeneous. They are close to Romanée-Saint-Vivant wines, robust, perfumed and very elegant. Their beautiful colour intensity, of a deep ruby or garnet, reminds one of a Petit-Musigny. Their complex aromas are characterised by scents of spices, ripe fruits, vanilla, caramel and liquorice. In the mouth, the fine delicate tannins make these wines linger long on the palate and confer a velvety mellowness, making this a wine of great distinction and elegance.
