

# Vosne-Romanée Village

## Appellation d'Origine Contrôlée

### *Character of the wine*

Wines from the Vosne Romanée appellation are all of excellent quality, as all the vineyards are located on sites and soils that are highly favourable to the production of good wines. Their distinctive quality is the elegance. Structured by discreet tannins and an unobtrusive acid content, they are wonderfully mellow. They have substance and linger long on the palate. Very aromatic, they highlight scents of cherries, strawberries and woodland undergrowth in an elegant combination of fruits and spices.
